In the American Volleyball Coaches Association (AVCA) preseason poll released on Wednesday, Central is ranked 13<sup>th</sup> and Wartburg is ranked 15<sup>th</sup>. Central ranked 19<sup>th</sup> in the final 2002 poll and Wartburg ranked 13<sup>th</sup>.

Most of the coaches agree there is a balance in the Conference competition while seeing its national competitiveness to be on the rise.

“I see the Conference continuing to progress into a more and more competitive Conference on the national scale. We’ve had great models in the Minnesota and Wisconsin Conference’s and I see us establishing ourselves as a Conference of national prominence as we continually grow deeper and deeper,” first-year Central head coach **Kent Clayberg** said. “The list of ‘tough places to play’ seems to be growing, which is great!”

Luther coach **Ellen Drewes-Stoen** echoes Clayberg. “The IIAC, once again, is very strong, perhaps among the strongest Conferences in the nation. The quality of competition is wonderful to see, as we no longer have to travel out of our region to face ranked competition – the IIAC is loaded with strong, competitive teams.”

Under a new Conference policy adopted last season, the Iowa Conference volleyball Champion and all-sports trophy points will be determined by the regular season round-robin schedule. The Conference Tournament will be used to determine which school receives the automatic bid to the NCAA Tournament. Previously, the regular season and Conference Tournament each counted as 50 percent in determining the Conference volleyball Champion. The 2003 IIAC Tournament, an eight-team single elimination format, will be at Wartburg College on November 7-8.

**Buena Vista University Beavers**  
**(12-23, 3-6 7<sup>th</sup> in IIAC)**

**Starters Returning/Lost: 5/2**

**Letterwinners Returning/Lost: 14/3**

**About the 2003 Beavers:** Buena Vista returns an experienced squad with 14 letterwinners including five seniors, four juniors and four sophomores. However, only five of those 14 players appeared in over 25 matches.

“We hope to improve on our Conference and overall record from a year ago,” fifth-year coach **Amy Sander** said. “It is also our goal to be more competitive within the Iowa Conference.”

The most experienced returnees include middle hitter **Alison Olberding** (35 matches, 123 games), middle hitter **Jess Grigg** (33 matches, 121 games), outside hitter **Jess Griggs** (33 matches, 114 games), defensive specialist **Becky Spangler** (35 matches, 107 games) and setter **Laura Reuter** (31 matches, 109 games).

Griggs led the team with 2.55 kills and 2.34 digs per game to go along with 38 aces and 48 blocks while hitting .161. Grigg had a team-high 0.79 blocks per match while Olberding led the Beavers with 44 aces to go along with 96 blocks and 2.44 kills per game. Reuter had a team-high 852 assists and was second on the team with 39 aces.

Other returnees include outside hitters **Alison Veak**, **Brooke Bousum** and **Sam Taggart**; middle hitter **Mindy Buscher**; outside hitter/middle hitter **Lindsey Langel**, outside hitter/setter **Jodi Lukowski**, setter **Rena Guikema** and defensive specialist **Sara Mraz**.

Veak averaged 1.75 digs and 1.04 kills in 24 matches. Langel hit .192 and averaged 1.77 kills and 1.16 digs per game in 15 matches last season. Lukowski averaged 1.33 digs and 1.04 kills per game in 20 matches. Bousum averaged 2.07 digs and 2.0 kills per game in five matches. Guikema had 237 assists.

**Central College Dutch**  
**(22-15, 9-0 T-1<sup>st</sup> in IIAC)**

**Starters Returning/Lost: 6/0**

**Letterwinners Returning/Lost: 13/4**

**About the 2003 Dutch:** Despite an injury plagued season in 2002, Central still earned a share of its seventh straight Conference Championship. The team's streak of seven straight NCAA postseason berths did end.

"We were worn down mentally and physically last fall, struggling through inexperience and constant injuries. We should be much stronger this year," first-year coach **Kent Clayberg** said. "The upside to a year like that is that we gained lots and lots of experience. We're deep in several positions, bolstered by some very talented freshmen."

All six starters return from 2002 including AVCA Central Region Freshman of the Year **Kristin Hancock**. An outside hitter, Hancock averaged 3.24 kills, 0.32 aces and 3.61 digs in 111 games while hitting .246. **Catie Ruefer**, an All-Region selection, returns at right-side hitter. She hit a team-best .347 and averaged 3.02 kills in 125 games. **Jamie Stark** returns in the middle after hitting .239 and averaging 2.08 kills and 0.56 blocks in 131 games last season.

**Tara Rabe** joins Hancock on the outside. A Second Team All-Conference selection, she averaged 2.0 kills and 3.71 digs last season. If injuries limit her, she might be moved to the libero position this season and compete with **Alex Costigan, Libby Jennings** and **Tiffany Pruss**.

**Lindsay Schultz** (.251 hitting pct., 1.93 kills) should see action on the outside along with Costigan and **Lisa Kirby**. Kirby, **Raegan Schultz, Katie Pederson** and **Dana Wilkerson** will compete for playing time in the middle.

Setter **Steph Bearden** battled through an injury-plagued season to average 7.92 assists, 1.98 digs and 1.18 kills last season. **Jodi Taute** saw action in 26 matches last season and averaged 3.17 assists and 2.71 digs.

**Coe College Kohawks**  
**(14-25, 4-5 6<sup>th</sup> in IIAC)**

**Starters Returning/Lost: 0/6**

**Letterwinners Returning/Lost: 4/9**

**About the 2003 Kohawks:** Only four players return from last season for second-year coach **Heather Schmidt**. But that does not mean low numbers as over 25 newcomers will vie for playing time.

“One word that can describe the 2003 Coe volleyball team is young. By young I mean full of energy, open-minded, determined and ready to make a mark in the Iowa Conference,” Schmidt said. “It is going to be a battle everyday in practice to earn a varsity spot.”

Without a senior on the team and just three juniors, finding leadership could be hard to come by. Middle blocker **Tonya Keefer** will have plenty to offer. She played in 70 games as a freshman and started five matches last year before a knee injury kept her out for most of the season. In limited action, she recorded 62 digs and 25 kills.

Also returning are defensive specialist **Lindsey Ramaekers**, and outside hitters **Cassie Gillin** and **Caroline Capper**. Ramaekers was fifth on the team in digs last year with 198. She added 27 service aces in 105 games.

Gillin had 86 digs, 15 service aces and six kills in 67 games. Capper had 53 digs, 33 kills and 14 blocks in 40 games.

Among the newcomers expected to make the biggest impact are **Cassidy Brandt**, **Chelsea Dirks** and **Sara Kopp**.

Thomas, a second team All-Conference selection last season, led the Spartans with 411 kills, a .296 attack percentage and 107 blocks. She also tied for the team lead with 46 service aces.

**About the 2003 Norse:** Coming off just its seventh sub-.500 season in the last 24 years, Luther will look to a young but experienced team in 2003 behind coach **Ellen Drewes-Stoen**, who enters her 25<sup>th</sup> season with the Norse. Stoen ranks 20<sup>th</sup> among active Division III head coaches with 438 career victories.

“We experienced growing pains last year, but found those experiences to be both challenging and rewarding. Going through that process has motivated us to perform at a higher level and we expect some very positive things to happen on the court,” Stoen said. “Our goal is to strive for excellence, both on the court and off. We are building our team around a very experienced and talented senior setter. We have sound, positive leadership in our captains and seniors, and look forward to another exciting season.”

The senior setter Stoen refers to is **Katie Kuhlman** who ranks second on Luther’s all-time career assist list with 3,064. The Storm must do so without middle hitter **Jessica Nauman** who graduated after becoming the second IIAC player to be named First Team All-Conference four times.

“Success from the 2003 Upper Iowa University Volleyball Team will not be measured in wins and losses, but in the gradual progression of skill, along with an increase in athletic maturity – both in level of play and understanding of the game. It will take diligence and discipline from all members and supporters of the program,” first-year coach **Julia Fielder** said. “I’ve seen a renewed energy in the returning players and a definite commitment from each incoming athlete.
