Buena Vista University Beavers
(2-14-2 overall, 0-8 IIAC – 9th)

Starters Returning/Lost: 6/5

Letterwinners Returning/Lost: 8/8

About the Team: The trend for Buena Vista the last couple of seasons has been fielding an improved and growingly more competitive team. That trend is expected to continue this season with the group of returning players and a strong group of newcomers.

Quote from the Coach: Third-year coach **Matt Klosterman** says, “We continue to improve and will be better than last season’s squad despite featuring no seniors on the 2004 team. The addition of several talented freshmen and transfers should be seen primarily in the attack and should make the team more competitive in and out of the IIAC. The team should be much fitter, deeper and more athletic than BVU team’s of the past.”

About the Team: Central will look to ride the momentum of last season's strong finish. After losing nine of their first 12 games, the Dutch finished with a three-game winning streak and in a five-team logjam for fourth place in the Conference.

Quote from the Coach: First-year coach **Rick Burns** says, "I want the team to train and play hard. I want them to improve technically and improve their tactical understanding of the game. And finally, I want them to enjoy the experience. If you do those three things the rest follows. I'd like to play possession soccer, but you have to play a style relative to the talent that you have and the skills of your opponent. And if you have just one style, you become predictable. In soccer, it's important to play unpredictably."

About the Team: Luther set a school record with its 17 victories last season and returns 90 percent of its scoring offense from 2003 in which the Norse finished seventh nationally in scoring (3.91 goals/game) led by national scoring leader **Katie Pettigrew**.

Quote from the Coach: Coach **Doug Mello**, in his 14th-season, says, “2003 was a banner year for us with 17 wins, a regional ranking and tying Loras in the Championship match, but the team wants more. With the loss of only two starters, and Katie Pettigrew healthy, the sky is the limit for our Norse squad. Add to the mix the bevy of all-state and ODP recruits we have coming in, and you have a formula for success.”

Despite having no seniors on the roster, Simpson is deep with nine starters returning from a year ago.

Quote from the Coach: Ninth-year coach **Aziz Haffar** says, "The key is for us to find the right spots on the field and the right team chemistry.
